

JSS COLLEGE OF ARTS AND COMMERCE, GUNDLUPET – 571 111

E- Governance system

JSS College of Arts and Commerce, Gundlupet believes, in the philosophy of obtaining ideas, suggestions, and advices from diversified faculty, professionals, discussing them and implementing the same for the growth of the educational values of the college.

The college follows the culture of participative management by forming various committees consisting of faculty members, academicians, administrative and alumni etc. In some of the committees, student representatives and support staffs are included. The JSS CG welcomes innovative ideas, concepts and thoughts from the employees and involves the min decision making process.

To monitor and control academic and administrative activities with respect to the quality, college has implemented e-governance system, which is developed and maintained by in-house members. The features of e-governance system are:

- Online Classes
- Course coverage
- Online tests
- Sharing of Study Material through whats'App
- Accounts details
- Academic performances.
- Library Management

The e-governance system is accessible by members of faculty and staffs, stakeholders . For example, all students of the institution could check their attendance, class test marks, IA marks, SSP circular and notices through the e-governance system.

The e-governance cell has been well supported by the management, faculties, and students.
